

MyMedicalShopper™

Healthcare Price Comparison Tool ●●●

WHAT IS THIS?

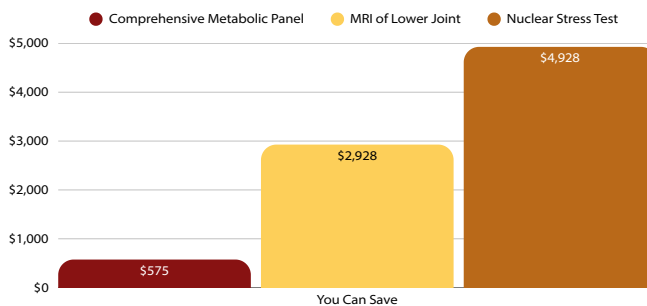

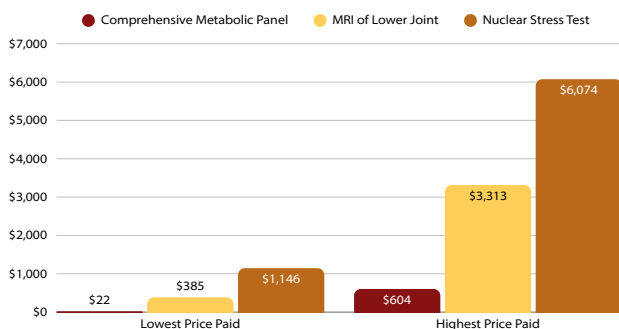

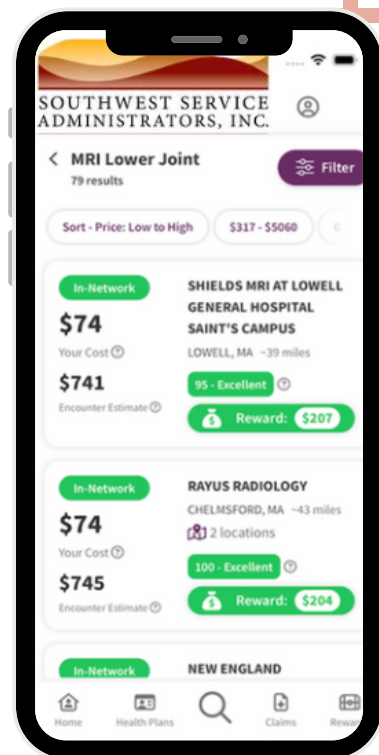

- A powerful tool that makes shopping for medical care as easy as a Google search
- Available on our mobile app for both Apple and Android devices
- Accessible via our website from anywhere → www.ssatpa.com
- Helps prevent surprise medical bills
- Empowers you to choose medical care based on:
 - Price
 - Quality
 - Convenience
- Designed to help you shop for healthcare the same way you shop for everything else in life

WHY DO I NEED IT?

- Prices for medical tests and procedures can vary dramatically—even within the same town.
- Insured patients often pay 5 to 10 times more than necessary.
- This happens because patients typically lack the tools to compare prices for medical care.
- The result?
 - Higher out-of-pocket costs
 - Increased health insurance premiums

WHO IS THIS MEANT FOR?

- **Everyone!**
- Users can save over 30% on their out-of-pocket medical expenses.
- It's designed to help you **minimize out-of-pocket costs** and **save money** on healthcare.
